

**REMARKS**

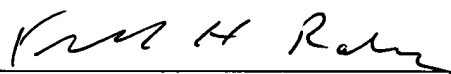

Although the Office Action herein responded to is a Final Rejection, all of the claims in this case contain allowable subject matter.

All the claims have been rejected under the first paragraph of 35 U.S.C. § 112, the basis of the rejection being that the term "an amount of up to 3% wt." is unclear. The undersigned attorney discussed this matter with the Examiner in a telephone conversation on 1 March 2004 and it was agreed that, if the term was changed to "an amount up to and including 3% wt.", the rejection would be obviated. The foregoing amendment accomplishes this result

In view of the fact that this application contains allowable subject matter and that the rejection under 35 U.S.C. § 112 would be obviated by this amendment, this amendment should be entered. Prompt and favorable action is earnestly requested.

Respectfully submitted,

Date: 2 March 07
